2. Writing a letter (20 points)

Read the letter and answer it. Write about:

- your agreement to take part in the project;
- the subject you want to study (geography, history, biology, languages, literature, etc.) and explain your choice;
- your friend you want to be with in the project (the name and some details about him/her).

Do not forget to write the address. You should write 60-80 words.

Hi _____,

I've got great news! I've found out about international project competition! You know, there's a special educational committee, which encourages young people to do some research and project work. I'm going to apply. Would you like to join me? If we work together, we can register as a team, if you are with me, we need to agree on the subject we are going to research and the number of people in our team. If you have some reliable friends, they are welcome, too. Let me know what you think about it.

Hope to hear from you soon, Jeffery.

(Jeffery lives in Canada Vancouver 5678 Laurel Street 8)

Hi, Jeffery,

I'd like to take part in your project. I'll join you. I've got a friend. My friend wants to take part in the project too. Her name is Alla. She likes to do different projects. We want to study history. If we work together, we can register as a team, if you are with me, we need to agree on the subject we are going to research and the number of people in our team. Do you like Biology? Write me back. Best wishes,
Ann
